

Parent Memo

Parents;

I never thought I would be sick of snow, but I am ready for life to return to normal! I pray that everyone took advantage of the time

with their family. There are many activities taking place this month so pay special attention to our dates listed to the side.

The PTSH meeting will be held this week— plan to attend. Your input is vital!! Remember, this is YOUR school.

We are wrapping up the second quarter of

Get to know Brigita Taruskaite:

Every Thursday, we take a special offering to support Brigita in Lithuania. Let's take some time to get to know her a little better. Brigita is a ten-year-old girl with brown hair and blue eyes. Her favorite color is pink. She loves pizza and participates in gymnastics. Her favorite toy is a teddy bear. When she grows up, she would like to be an artist. She has one brother and one sister.

Her school is not much different than yours. She attends from September to May and there are 57 students total. Her teacher's name is Banga and her favorite subject is Art.

Brigita sounds a lot like you and me. We can continue to make a difference in her life every Thursday. The money we send helps with her education and clothing. We can make a difference! Thank you all very much for everything you do.

Girl's Night Out!

We have planned on MaryKay, PartyLite, and Cookie Lee! Feel free to bring a friend and enjoy an evening out. See you there!!
